

HOLLYWOOD PRIMARY SCHOOL

An Independent Public School

SCHOOL CONTRIBUTIONS & CHARGES FOR 2022

Dear Parents and Caregivers

Please find attached your children's contributions and charges schedule for 2022, as advertised on the school web site in November 2021.

A 1:1 iPad program commences at Hollywood in Years 4 to 6. Important information about this program will be communicated to parents and caregivers separately. Our students live in a digital world and we will ensure they are well equipped to manage this important part of their learning. It is anticipated that each student device will cost approximately \$500. Although we have planned to access free *apps for the majority of the curriculum, occasionally parents may be required to purchase a low cost *app for your child's device. Participation in this program is voluntary, however strongly encouraged.

A note about the school contributions; these funds are directed to fund curriculum resources and shared classroom materials for your children. It is essential that the school collect these funds to provide adequate resources to support our teaching programs. In 2022, Hollywood teachers are focusing on explicit teaching in literacy and mathematics. Explicit teaching, through daily reviews, enables consolidation and learned concepts to be transferred from short-term to long-term memory. We will be supplying class sets of many new resources and materials to support this program. Hollywood School has a proud tradition of providing a high quality, well-rounded education for your children, and your financial support is important to ensure we are able to continue to do so.

The P&C contributions are also an important component in our school funding. The majority of the money collected is returned directly to the school to fund our specialist programs such as music and art, grounds improvements, and library reading and electronic materials. Our school community is enriched by the strength of our P&C and School partnership. The P&C contribution can be paid through the book list supplier Campion.

You will note we have added the incursion/excursion and sporting excursion amounts to the total to ensure you have to make only one payment at the beginning of the year. Please remember, your child's account will only be charged for an excursion **if they attend**. Unused monies will carry forward to the next year's account as a credit, or be refunded if you leave the school.

Statements will be sent home at the beginning of the new school year and we would appreciate payment early in term 1 2022. We are very happy to make instalment arrangements if you would prefer. Please contact our Manager Corporate Services you would like to do so.

I hope you will commit to supporting the school and P&C by contributing these important funds.

Kind regards,

JANINE BERSAN
Principal
