

Dear Hollywood Families,

With the unpredictability of our current climate due to the evolving COVID-19 situation in Western Australia, we wanted to take this opportunity to share some learning resources with our Hollywood families. These resources will support the continuity of your child's learning, should there be a future requirement for at-home learning, temporary quarantine or a school closure.

These resources have been compiled in conjunction with our educators and form the basis for our Hollywood Primary School COVID Action Plan 2022. They can supplement in the event that face-to-face teaching, or periods of live online teaching, are unavailable to your child.

We urge families to ensure that their contact details are up-to-date with the school office and that they are receiving *Connect* notifications for each of their children at Hollywood, as educators will provide curriculum overviews and additional learning resources via this platform. We also suggest familiarising yourselves with the *WebEx* platform for live meetings.

## Useful resources for all ages

Department of Education At-Home Learning Resources	<a href="https://www.education.wa.edu.au/learning-at-home/learning-resources-by-year-level/">https://www.education.wa.edu.au/learning-at-home/learning-resources-by-year-level/</a>	Learning resources for all years levels K-12 as compiled by WA Education Department educators

## Year 5 & Year 6 resources

Mathletics	<a href="https://www.mathletics.com">https://www.mathletics.com</a> <i>(Children have individual log-ins)</i>	School subscription provided – school monitored Math lessons aligned to class content
Chrome Music Lab	<a href="https://musiclab.chromeexperiments.com/">https://musiclab.chromeexperiments.com/</a>	Music activities suitable for P-6
Scholastic Literacy Pro	<a href="https://slz04.scholasticlearningzone.com/">https://slz04.scholasticlearningzone.com/</a> <i>(Children have individual log-ins)</i>	Quizzes linked to a large range of Scholastic book titles in HPS library

All of these suggested resources can be accessed through a regular browser on any computer or device and do not require the additional download of an application (though some do have this option which can make it a more user-friendly interface). The suggested resources are all either a school subscription which your child has a log-in for, or have an option to access the content for free. If your child is unsure of their log-in to any of the school subscriptions, please contact your child's classroom teacher.

We hope these resources assist you to keep your child connected to their year-level content, in conjunction with anything additional that **may** be provided by the classroom teacher.

Kind regards,

**Hollywood Primary School Staff**
