	Hard copy package	My child is isolating and is unwell/has a positive COVID test	My child is isolating but is of good health and can participate in school work	What materials will the school supply?
	Families who don't have access to online learning please contact the administration.	When students are unwell they are not expected to complete online learning. During this time, please send the absence notice to Hollywood.PS@education.wa.edu.au , preferably before 9am. We will mark them as unwell for the entire 7-day isolation period. However, when they are well enough to resume online learning please contact the school to change their Attendance Code.	The teacher will presume your child is well and participating in learning each day. If symptoms develop, and your child can not participate, please inform the teacher and school immediately via email so we can change their Attendance Code. During this time, please send the absence notice to Hollywood.PS@education.wa.edu.au When students are unwell they are not expected to complete online learning.	Some teachers may also ask students to submit work online through Connect. Work will be posted in the Connect Library or Content areas. Generic work will be available from the websites listed in the whole school closure column.
